Celebrate In Mac:
July 4th Spectacular

July 4, 2016 Evergreen Museum Campus
4 pm – 10 pm

We estimate over 7,500 attendees this year. Your sponsorship allows the community to enjoy an annual American tradition close to home. We've contracted again with Western Display Fireworks for a show that will last at least 30 minutes and have all the great booms and bangs we love.

The McMinnville Chamber is the managing organization for this event. We contract within the program for a management fee, but all other money will be held in a separate individual account that can easily be handed off to any other managing partner in the future. This is not an event organized around making any one organization more money, this is an event organized around the pure vision that our great Community and America deserve a day of celebration!
