LOCATION
McMinnville is located in the western portion of Oregon’s agriculturally rich Willamette Valley on U.S. Highway 99W. The quiet, easy-going city enjoys a central location to Pacific Ocean beaches (50 miles), the big city (Portland – 30 miles to the northeast), and the state capitol (Salem – 25 miles southeast), an easy scenic drive to Mt. Hood and outdoor activities.

CLIMATE
McMinnville’s mid climate has a mean average temperature from June to September of 70°F and 40°F from November to February. The average rainfall is 42 inches, affording a rich green and clean landscape. The growing season is 174 days and the elevation is 157 feet above sea level.

HISTORY
McMinnville was founded by William T. Newby, a pioneer from McMinnville, Tennessee. He arrived in Oregon on the first wagon train which came west during the Great Migration of 1843. Newby took a Donation Land Claim along an old Indian trail that is now Baker Street. In 1853, Newby erected a gristmill at the west end of Third Street, below the present City Library. Construction of this mill was the primary reason for the growth of the city.

In 1856, with the assistance of Sebastian Adams, a surveyor and teacher, the original town site was platted on a portion of Newby’s land. McMinnville was incorporated as a town in 1876. By 1892, the city boasted two public schools, two banks, two flour mills, two newspapers, five churches, a courthouse and a college. Between the years 1885 and 1912, most of the historic Third Street business structures were built. McMinnville’s commercial center extended from City Park on the west to the railroad tracks on the east. The McMinnville Development League was active during this period in recruiting new business into town. Many of the buildings from that era are still intact today for you to enjoy as you stroll through the main street area.

McMinnville has continued to expand while remaining sensitive to its history and the buildings associated with its past. The community is proud of its many metropolitan amenities, but also in maintaining its small, friendly community atmosphere.

GOVERNMENT
McMinnville is the county seat of Yamhill County. The governing body of the county is the Board of Commissioners, which is comprised of three paid members, elected at-large. The Board of Commissioners meet every Tuesday at
1:30 p.m. and every Thursday at 10 a.m. in the County Courthouse at 5th and Evans streets.

McMinnville has a Council/Manager form city government. The six-member City Council is the policy-making body of the city. Members hire a City Manager to perform the administrative duties required for the effective and efficient operation of the city. The mayor presides over City Council meetings, makes appointments and officially represents the city at meetings and special events. The City Council meets the second and fourth Tuesdays of each month at 7pm at Kent L. Taylor Civic Hall located at 200 NE 2nd Street.

The City of McMinnville is a full-service city that provides a broad range of public services, including public safety, public works, library, parks and recreation, and planning. The city government has a statewide reputation for stability and effective governance and management. City services are delivered by over 140 full-time employees, seasonal part-time employees and many volunteers.

VISITING OUR AREA

HISTORIC DOWNTOWN McMinnville

The Award-Winning McMinnville Downtown Historic District comprises 100 or so commercial buildings of architectural and historic significance on and around Third Street. Downtown revitalization efforts made by the McMinnville Downtown Association (MDA) have made the downtown area one of the most charming and vital in the state. Technical assistance is provided to property and business owners by the MDA upon request. As a result, downtown McMinnville has created an environment that fosters small business growth and allows family owned businesses to flourish and prosper.

WINE COUNTRY

McMinnville is surrounded by Yamhill County’s 200+ vineyards and over 100 wineries, more than any other county in the state. Like the great wine regions of France and Germany, the area is blessed with a long, moderate growing season which has proven ideal for such grapes as Pinot Noir, Pinot Gris and Chardonnay. Yamhill County’s wine makers consistently produce wines which receive highest honors in many American and international wine competitions. Investors from around the world have chosen to come to Willamette Valley to try their hand at making the elusive and elegant Pinot Noir. Many of the wineries have tasting rooms open to the public or are open by appointment. Since most of the wineries are located on picturesque hillsides, a wine tasting tour can be a delightful experience. Tasting hours vary by season, so call ahead or pick up a winery map.
