This is McMinnville, Oregon

Location

McMinnville is located in the western portion of Oregon’s agriculturally rich Willamette Valley on U.S. Highway 99W. The quiet, easy-going city enjoys a central location to Pacific Ocean beaches (50 miles), the big city (Portland – 30 miles to the northeast), and the state capitol (Salem – 25 miles southeast), an easy scenic drive to Mt. Hood and outdoor activities.

Climate

McMinnville’s mid climate has a mean average temperature from June to September of 70°F and 40°F from November to February. The average rainfall is 42 inches, affording a rich green and clean landscape. The growing season is 174 days and the elevation is 157 feet above sea level.

History

McMinnville was founded by William T. Newby, a pioneer from McMinnville, Tennessee. He arrived in Oregon on the first wagon train which came west during the Great Migration of 1843. Newby took a Donation Land Claim along an old Indian trail that is now Baker Street. In 1853, Newby erected a gristmill at the west end of Third Street below the present City Library. Construction of this mill was the primary reason for the growth of the city.

In 1856, with the assistance of Sebastian Adams, a surveyor and teacher, the original town site was platted on a portion of Newby’s land. McMinnville was incorporated as a town in 1876. By 1892, the city boasted two public schools, two banks, two flour mills, two newspapers, five churches, a courthouse and a college.

Between the years 1885 and 1912, most of the historic Third Street business structures were built. McMinnville’s commercial center extended from City Park on the west to the railroad tracks on the east. The McMinnville Development League was active during this period in recruiting new business into town. Many of the buildings from that era are still intact today for you to enjoy as you stroll through the main street area.

McMinnville has continued to expand while remaining sensitive to its history and the buildings associated with its past. The community is proud of its many metropolitan amenities, but also in maintaining its small, friendly community atmosphere.

Government

McMinnville is the county seat of Yamhill County. The governing body of the county is the Board of Commissioners, which is comprised of three paid members, elected at-large. The Board of Commissioners meet every Tuesday at 1:30 p.m. and every Thursday at 10 a.m. in the County Courthouse at 5th and Evans streets (check with meeting organizers as it may be now hosted online).

McMinnville has a Council/Manager form city government. The six-member City Council is the policy-making body of the city. Members hire a City Manager to perform the administrative duties required for the effective and efficient operation of the city. The mayor presides over City Council meetings, makes appointments and officially represents the city at meetings and special events. The City Council meets the second and fourth Tuesdays of each month at 7pm at Kent L. Taylor Civic Hall located at 200 NE 2nd Street (check with meeting organizers as it may be now hosted online).

The City of McMinnville is a full-service city that provides a broad range of public services, including public safety, public works, library, parks and recreation, and planning. The city government has a statewide reputation for stability and effective governance and management. City services are delivered by over 100 full-time employees, seasonal part-time employees and many volunteers.

State agencies with offices in McMinnville include Oregon Department of Human Services, Services to Children and Families, Maintenance Station, Liquor Control Commission retail outlet, Motor Vehicle Division, National Guard, State Police and Vocational Rehabilitation Division.

Federal agencies include Department of Agriculture, Armed Services Recruiting Station, Department of Energy, Federal Highway Administration Project office, Automated Flight Services Station and U.S. Post Office.

Yamhill County's wine makers consistently produce wines which receive highest honors in many American and international wine competitions. Investors from around the world have chosen to come to Willamette Valley to try their hand at making the elusive and elegant Pinot Noir. Many of the wineries have tasting rooms open to the public or are open by appointment. Since most of the wineries are located on picturesque hillsides, a wine tasting tour can be a delightful experience. Tasting hours vary by season, so call ahead or pick up a winery map.

Utilities

Since 1889, McMinnville Water and Light has been committed to providing their customers with clean, safe drinking water and reliable power at an excellent value. These vital resources are essential to McMinnville's overall quality of life. Water is supplied from rain and snow melt impounded in two reservoirs in the coast mountain range northwest of McMinnville and flows through a state-of-the-art treatment plant before making its way through approximately 10 miles of transmission lines to four water storage

reservoirs located west of the City. From here, the water flows through 155 miles of distribution mains to supply the City of McMinnville with an abundant supply of high-quality drinking water. Nearly all of the electricity provided to you is "carbon-free". More than 97% of the power that McMinnville Water and Light purchases comes from renewable, or "green" sources that don't burn fossil fuels, primarily hydropower. Rates in McMinnville continue to be among the lowest in the country. NW Natural Gas company supplies gas to the city. Recology Western Oregon provides a wide range of residential, commercial and

industrial waste and recycling collection services for McMinnville and Yamhill County. The sanitary sewer system covers about 95 percent of the city, with a 154-miles of pipe system utilizing 13 pumping stations of delivery to a water reclamation facility providing advanced treatment. The plant is equipped to handle normal city growth through 2023.

I wanted to let you know how appreciative I am of you and your team, you should be very proud of what you’ve done for your Community and all of us business owners in 2020.”

— Nic Clark, OD, McMinnville Family Eye Care

“We have found the emails and updates from the McMinnville Area Chamber to be valuable to our company. They Rock!”

— Renee Sterba, Cascade Water Systems LLC

“During our annual Greeters event (virtual this year), I offered discounts and prizes to the members. When we opened, Chamber members were lined up 7-8 deep, even before we opened the doors that was followed by a steady stream. I did not expect that response since we were unable to meet at the store this year. I am humbled by the support.”

— David Toth, Kathleen’s Hallmark

“I want to say ‘Thank you’ for all the great work you do for us, not only as a business but for the Chamber as a whole. We are a community of business’s and families and friends. I may not attend meetings or events often (I used too, years back) but value the information, comradery and support. This past year has been one that has required quick and concise information shared and you have kept us up to speed. Again, thank you for keeping us informed and directing the Chamber as we move through the challenges.”

Lemonade Day!

Our mission is to help today's youth become the business leaders, social advocates, community volunteers and forward-thinking citizens of tomorrow... one lemonade stand at a time!

MCMINNVILLE

www.lemonadeday.org/mcminnville

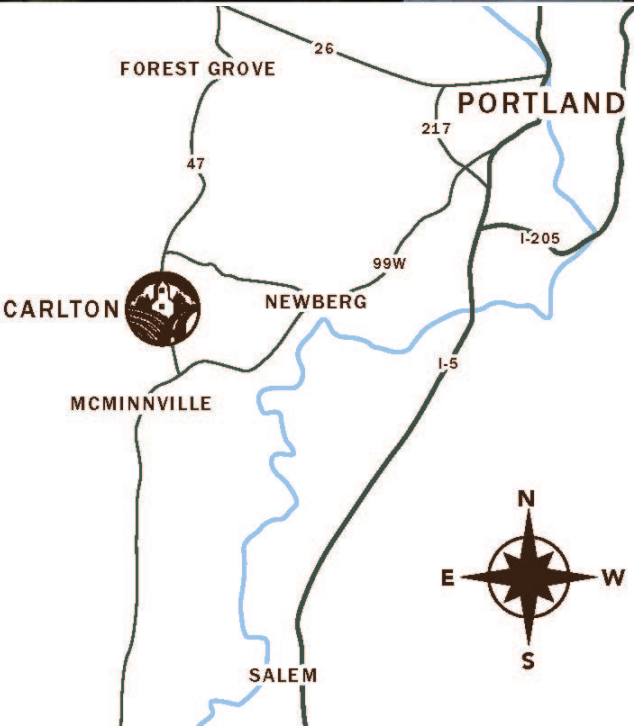

Lemonade Day is a free, fun, experiential learning program that teaches youth how to start, own and operate their own business - a lemonade stand. Each child that registers receives a backpack with an Entrepreneur Workbook that teaches them the 14 lessons of Lemonade Day like creating budgets, setting profit-making goals, serving customers, repaying investors, and giving back to the community. Along the way, they acquire skills in goal-setting, problem solving, and gain self-esteem critical for future success. They keep all the money they make and are encouraged to spend some, save some and share some.
