Location

McMinnville is located in the western portion of Oregon's agriculturally rich Willamette Valley on U.S. Highway 99W. The quiet, easy-going city enjoys a central location to Pacific Ocean beaches (50 miles), the big city (Portland – 30 miles to the northeast), and the state capitol (Salem – 25 miles southeast), an easy scenic drive to Mt. Hood and outdoor activities.

Climate

McMinnville's mid climate has a mean average temperature from June to September of 70°F and 40°F from November to February. The average rainfall is 42 inches, affording a rich green and clean landscape. The growing season is 174 days and the elevation is 157 feet above sea level.

History

McMinnville was founded by William T. Newby, a pioneer from McMinnville, Tennessee. He arrived in Oregon on the first wagon train which came west during the Great Migration of 1843. Newby took a Donation Land Claim along an old Indian trail that is now Baker Street. In 1853, Newby

erected a gristmill at the west end of Third Street below the present City Library. Construction of this mill was the primary reason for the growth of the city.

In 1856, with the assistance of Sebastian Adams, a surveyor and teacher, the original town site was platted on a portion of Newby's land. McMinnville was incorporated as a town in 1876. By 1892, the city boasted two public schools, two banks, two flour mills, two newspapers, five churches, a courthouse and a college.

Between the years 1885 and 1912, most of the historic Third Street business structures were built. McMinnville's commercial center extended from City Park on the west to the railroad tracks on the east. The McMinnville Development League was active during this period in recruiting new business into town. Many of the buildings from that era are still intact today for you to enjoy as you stroll through the main street area.

McMinnville has continued to expand while remaining sensitive to its history and the buildings associated with its past. The community is proud of its many metropolitan amenities, but also in maintaining its small, friendly community atmosphere.

Government

McMinnville is the county seat of Yamhill County. The governing body of the county is the Board of Commissioners, which is comprised of three paid members, elected at-large. The Board of Commissioners meet every Tuesday at 1:30 p.m. and every Thursday at 10 a.m. in the County Courthouse at 5th and Evans streets (check with meeting organizers as it may be now hosted online).

McMinnville has a Council/Manager form city government. The six-member City Council is the policy-making body of the city. Members hire a City Manager to perform the administrative duties required for the effective and efficient operation of the city. The mayor presides over City Council meetings, makes appointments and officially represents the city at meetings and special events. The City Council meets the second and fourth Tuesdays of each month at 7pm at Kent L. Taylor Civic Hall located at 200 NE 2nd Street (check with meeting organizers for meeting details).

The City of McMinnville is a full-service city that provides a broad range of public services, including public safety, public works, library, parks and recreation, and planning. The city government has a statewide reputation for stability and effective governance and management. City services are delivered by over 100 full-time employees, seasonal part-time employees and many volunteers.

State agencies with offices in McMinnville include Oregon Department of Human Services, Services to Children and Families, Maintenance Station, Liquor Control Commission retail outlet, Motor Vehicle Division, National Guard, State Police and Vocational Rehabilitation Division.

Federal agencies include Department of Agriculture, Armed Services Recruiting Station, Department of Energy, Federal Highway Administration Project office, Automated Flight Services Station and U.S. Post Office.

A Community That Feels Like Home,
Care That Feels Like Family.

Rock of Ages provides a place where seniors thrive with dignity, friendship, and expert care.

No place like home, where staff can assist and make it all happen. Live independently on and off campus. Have home cooked meals with lots of great neighbors!

Rock of Ages is a not-for-profit, 501c-3 and is deemed charitable by both the state and the IRS. Our goal is to serve those needing our services regardless of their ability to pay. Contact us for more details.

Root & Rye

HOP FARM
& BREWERY

WHERE FAMILY, LOCAL HISTORY, & GOOD BEERS ALWAYS RIDE TOGETHER.

The trail to Root & Rye has been one wild and wonderful journey. As the heart and soul behind Portland's Old Market Pub & Brewery and the Broadway Grill & Brewery, Shelly has spent decades bringing unforgettable brews and bites to her hometown.

With grit, grace, and a spirit for adventure she set her sights on Root & Rye. Her experience and know-how brought a fresh energy to what was formerly Crowing Hen — with a touch of cowgirl charm, of course.

Now joined by her two daughters, Savannah and Sarah, this revival is a family affair where cold beers and warm company always find their way home.

Friendship- An Activity of Daily Living!

***M**arjorie House Memory Care Community provides person-centered long term care for individuals suffering from all stages of dementia in a safe, secure, supervised and caring environment. The comforts of home combine with design features specifically intended to enhance the quality of life for individuals with a diagnosis of a dementia, including Alzheimers.*

Quality of Life Through Quality Care

The challenges and losses that accompany dementia are many. The life provided by our skilled and loving staff strives to break down those challenges. Our goal is to create a life of potential and peace, lessening the challenges and loss.

Potential of Life Through Activities

We believe that every individual has potential – of one sort or another – until life ends. We find the potential in each person, design activities and moments to match that potential, and continually assess the change in potential so that we are meeting the needs of each individual.

Security in Life by Design

While our highest priority is the safety, security and well-being of each resident, we realize emergencies can and do happen at any time. With that in mind, we designed and equipped our building with a state-of-the-art Nurse Call System featuring Real Time Locating and Mapping.
